

The Ensemble Edit

Where disciplines converge and ideas diverge

New PhD? Write about it.

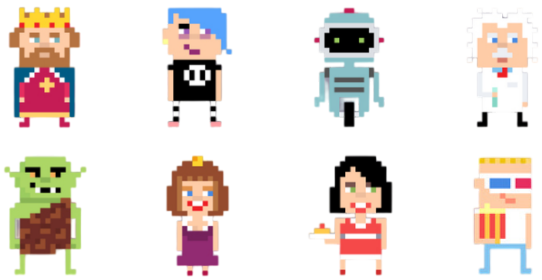

Your first year comes with new training, trips and conferences, and the odd struggle. Write it up for The Ensemble Edit, a blog run by UCD postgrads.

SOME IDEAS

- A training course you just did
- A trip or conference
- Something you struggled with, and how you got through it
- Anything else from your academic or personal life

Even 200 words is plenty.
